Let's celebrate all things factual!

'Interview with...' competition!

It's simple - Write and illustrate a Q and A style interview with an animal or historic character of their choice, presented on one side of either A4 or A3 paper.

Take this opportunity to research your animal or person of choice! It might link to your current topic or be something/someone you have your own personal interest in!

Please look at these samples if you're searching for any inspiration!
