Dear Parent/Carer,

We need more kindness in this world! And somebody leading the way is Grace Fortune-Shirley who has earned a kindness badge at Brownies. Kindness helps our children grow not only as successful learners but also as thoughtful and compassionate members of society. I encourage all our pupils to continue looking for opportunities to show kindness both in school and at home. Together, we can make our community an even happier and more welcoming place for everyone.

I would also like to extend a heartfelt thank you to Mrs Carter for her hard work in preparing our school library. The library is a fantastic resource that will help nurture curiosity, imagination and a lifelong love of reading. We are incredibly grateful for the time, effort and dedication that has gone into creating such an inviting space where every child can discover the joy of books and pursue their own love of reading.

In addition, I would like to acknowledge Mrs Suddell for her continued support of children's mental health and wellbeing. Her work aligns closely with the positive messages recently highlighted through the Barking and Dagenham W.I.S.E (Wellbeing in Schools and Education) initiative, which focuses on listening to community voices and making wellbeing support more accessible for children and families. We are fortunate to have staff who are so committed to supporting the whole child, both academically and emotionally.

With Bonfire Night celebrations taking place, please take a moment to remind children about the importance of firework safety. Fireworks should only be handled by responsible adults, viewed from a safe distance, and enjoyed at organised displays wherever possible. Please ensure children understand the importance of following safety instructions and being considerate of others, including pets who may be affected by loud noises.

Unfortunately, the Trafalgar Square event to celebrate Diwali was cancelled due to the weather but there is a free event at the National Maritime Museum https://www.rmg.co.uk/whats-on/national-maritime-museum/diwali

Wishing a Happy Diwali for this Sunday to all members of our school community. And to everyone have a very safe weekend.

Michael Kaitell, Headteacher

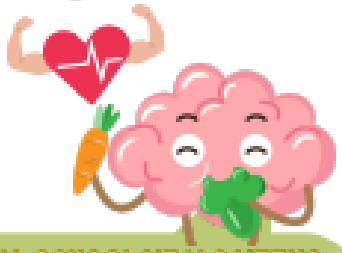
National School Meals Week – 9th to 13th November

November Edition

EAT, LEARN & THRIVE!



WHAT IS NATIONAL SCHOOL MEALS WEEK?

National School Meals Week is a great opportunity to celebrate the importance of nutritious school meals and the positive impact they have on children's health, wellbeing, and learning. Enjoying balanced meals, trying new foods and developing healthy eating habits can help support concentration, energy levels and long-term health, helping pupils to thrive both in and out of the classroom.

WHEN IS NATIONAL SCHOOL MEALS WEEK?

9th to 13th November 2026!

WHAT IS THE IMPORTANCE OF NATIONAL SCHOOL MEALS WEEK IN NOVEMBER?

National School Meals Week celebrates the valuable role that school meals play in supporting children's health, wellbeing, and educational success. Nutritious school meals provide pupils with the energy and essential nutrients they need to concentrate, engage in learning, and perform at their best throughout the school day.

The week also highlights the importance of developing healthy eating habits from an early age. By encouraging children to enjoy balanced, nutritious meals and try a variety of foods, National School Meals Week helps promote lifelong healthy choices that can benefit both physical and mental wellbeing.

The week also highlights the importance of developing healthy eating habits from an early age. By encouraging children to enjoy balanced, nutritious meals and try a variety of foods, National School Meals Week helps promote lifelong healthy choices that can benefit both physical and mental wellbeing.

In addition, National School Meals Week recognises the contribution of school catering teams, educators, and families in creating positive food environments where children can thrive. It is an opportunity to celebrate the benefits of school meals, raise awareness of healthy eating, and work together to support healthier futures for all pupils.

Together, we can help children develop healthy habits, enjoy nutritious meals, and build strong foundations for learning, growth, and wellbeing.

HOW CAN YOU PARTICIPATE?

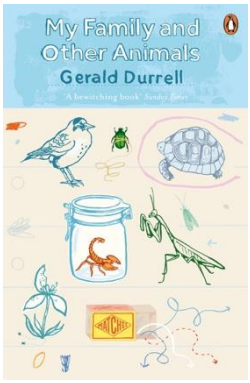
Reading for Pleasure Matters at Hunters Hall

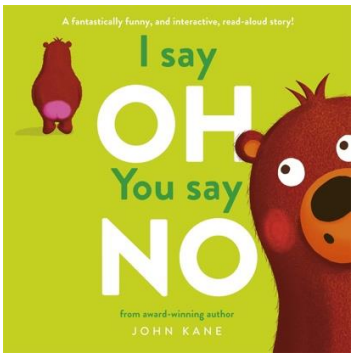
Get to know the teachers at Hunters Hall Primary School by figuring out their favourite children's books. Read the descriptions and try to 'guess who' loves each book!

Once you've had a guess, answers are displayed in the corridor by front reception. Just life the flap to find out. How many can you get right?



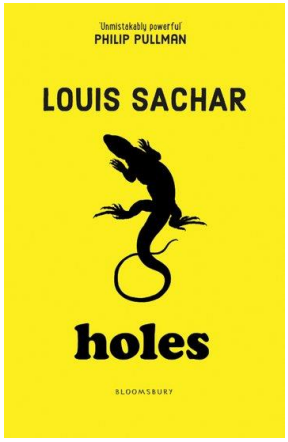
My Family and Other Animals
Gerald Durrell

'Sometimes it's pretty hard to tell them apart... my family and the animals, that is. I don't know why my brothers and sisters complain so much. With snakes in the bath and scorpions on the lunch table, our house, on the island of Corfu, is a bit like a circus. So they should feel right at home...' My Family and Other Animals tells - in an exaggerated and sometimes fictionalised way - of the years that he lived as a child with his siblings and widowed mother on the Greek island of Corfu between 1935 and 1939.



I Say Oh. You Say No.
John Kane
Would you like to meet OH?

Are you sure? He's no ordinary bear . . . you see, he's a bear with a BARE BEAR BUTT! And bare butt bears like to dance. The trouble is, he'd like someone to dance with. I don't suppose you know anyone? This is an interactive children's story where readers participate in a call-and-response tale about a dancing bear with a bare bottom who's looking for a dance partner!



Holes
Louis Sachar

Stanley Yelnats' family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth.

It is a wonderfully inventive, whimsical and funny book!

Parent Contact Pathway

We understand that parents naturally want the best outcomes for their children, and we welcome open communication. However, to ensure concerns are resolved efficiently and appropriately, we ask that parents follow our structured parent contact pathway rather than going directly to the headteacher.

Please follow this sequence:

Year Group	1st point of contact	2nd point of contact Year Group Leader	3rd point of contact	Final point of contact
Nursery	Miss McCarthy	Miss Cooper or Miss Mullaney		Mr Kaitell
Reception	Class Teacher	Miss Liburd	Miss McCarthy	
Year 1	Class Teacher	Mrs Keane	Miss Mullaney	
Year 2	Class Teacher	Miss Gurry	Miss Mullaney	
Year 3	Class Teacher	Mrs Kaur	Miss Mullaney	
Year 4	Class Teacher	Miss Vernon	Miss Cooper	
Year 5	Class Teacher	Miss Ede	Miss Cooper	
Year 6	Class Teacher	Mrs O'Dwyer	Miss Cooper	

- **Class Teacher** – Your child's class teacher should always be your first point of contact, as they know your child best and can often resolve concerns quickly
- **Year Group Leader** – If the matter remains unresolved or requires additional support, the year group leader will provide the next level of oversight
- **Senior Leadership Team (SLT)** – For more complex or ongoing issues, a member of SLT will become involved
- **Headteacher** – The headteacher will address concerns that require the highest level of decision-making or have not been resolved through the previous steps

When you meet with your child's class teacher, clear actions will be agreed and recorded, including:

- Specific steps the school and/or home will take
- A review date to assess progress
- Documentation on CPOMS (our safeguarding and pastoral system) to ensure continuity and accountability

This structured approach ensures your concerns receive the appropriate attention at the right level, allows teachers to resolve issues within their remit, and prevents unnecessary delays. It also protects staff wellbeing by ensuring concerns are managed systematically rather than overwhelming individual team members. If you're unsure where to start or have an urgent safeguarding concern, please contact the school office, who will direct you to the appropriate person.

Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.

In school time

Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.

From first notes to favourite songs

The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.
