

Risley Avenue Primary School Newsletter

Value of the Month for September: **RESPECT**

Autumn 1

Dear families,

Welcome back to Risley and a special hello to all our new families. We've had an amazing start to the new school year and attendance has been excellent – 96%. Please let's keep this up. We are in the run up to our next Ofsted inspection and this will be a key area of focus. We rely on your support to have high levels of attendance. Do contact us to discuss any issues that are affecting your child's attendance.

Thank you to all parents/carers who attended our 'Meet the Teacher' sessions last week. In response to feedback received, we arranged this event early in the term to enable parents and staff to become acquainted and for any questions to be addressed. Please remember staff are in the playgrounds and on the school gates each morning and afternoon and can answer any questions and queries.

It's the Risley month of **RESPECT** and we are discussing with pupils what this means and how we show respect. Mutual Respect is a British Value that all schools in the UK must champion. Do chat with your child what this looks like e.g. holding a door for someone, eye contact, not interrupting when someone is speaking, saying please and thank you, eating with your mouth closed to name but a few examples. At Risley, RESPECT is our number 1 value.

Do continue to recommend our school to friends and family members. We've welcomed over 27 new children already and the more pupils we have the more funding we get to keep providing an amazing education and experience for all pupils.

Best wishes
Linda Sarr
