Dear Parent/Carer,

Did you know that today is World Environment Day? This day is a reminder of why we need to protect our natural world - our greatest ally in the fight against climate change. From the air we breathe, to the food we eat, nature is the backbone of life on our planet.

World Environment Day 2026 focuses on Climate Action, with a central theme and slogan of "Inspired by Nature. For Climate. For Our Future."

As a school, we do as much as we can to protect our planet and inspire our children to do the same – from the solar panels on our school rooftop that are generating our electricity to the projects that use recycled material such as The Iron Man and The Great Outdoors.

Coming soon...week commencing 22<sup>nd</sup> June 2026: "We Are Week" & our Nigerian partner school visit.

Mrs Dias, our Maths Lead, has planned out an exciting week of real-world maths which builds on the Dare to Dream work that Miss Mullaney leads on.

Each year group will have a different profession that requires mathematics in order to fulfil its role. (Theme Park owner, Architect, artist, builder, travel agent, chef, baker and shop keeper) I wonder which year group will get which profession...

This month and next, we will be preparing the children for their transition to the next phase in their educational journey. This will take the form of familiarisation visits, social stories, visual prompts, getting to know me activities, information sharing, amongst other tried and tested ways. By implementing the aforementioned we aim to reduce the range of emotions that can come with changing to a new class or setting. (Some of these strategies are used for the adults too!)

If you are stuck for things to do this weekend – why not check out this site? <https://londonist.com/london/weekend/things-to-do-in-london-this-weekend-6-7-june-2026> There are a mixture of free and paid events.

**Congratulations to the classes with 96%+ attendance.**

## Uniform Reminder & PE Days 2025-2026

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

## Dare to Dream - At Hunters Hall, we have future Chefs and Bakers!

On Tuesday this week, we had another Dare to Dream experience. Chef Ash kindly came to school to spend the day with our future chefs and bakers to give them an unforgettable experience!

They worked with Chef Ash and Miss Thomas to make a three-course meal each consisting of:

### **Starter**

Toast rolled asparagus

### **Main**

Salmon on croute

### **Dessert**

Raspberry and strawberry cheesecake

The children were completely engaged and had the opportunity to try foods and learn skills that they may never have had the opportunity to try. They tasted food as they went, deciding if more seasoning was needed, and all took a real pride in the meals they created with such wonderful ingredients. They were a credit to our school and their families. The best part, they all still want to be chefs or bakers when they are older.

We are very grateful to Chef Ash and Miss Thomas for organising such a memorable day for our children and we look forward to seeing our future chefs and bakers going on to be head chefs and owning their own chain of restaurants or bakeries in the future.

## Reception - World Culture Day

Today we had a World Culture Day in Reception! Here are some pictures of the children making flags, learning a dance by Miss Mahmood and trying foods from around the world.

I know we missed Snippets this week but could it be put in Snippets for the first week back.

Author of the Week

JENNY MCLACHLAN

Before Jenny became an author, she used to be an English teacher! Now, she enjoys writing adventure stories for children like you! Her award-winning book 'The Land of Roar' is the first in her thrilling, portal series. If you like adventure stories with mermaids, an evil villain and a whole new world to explore, then definitely dive into 'The Land of Roar'. 'Dead Good Detectives' is Jenny's latest book; it has pirates, friendship, a mysterious map and...of course...crunchie chocolate bars!

If you like Abi Elphinstone or L.D.Lapinski you'll love these books!

There aren't many things more magical than getting lost in a book.

Jenny's 'Land of Roar' won the West Sussex Schools Library Service Story Book Award 2020.

Jenny McLachlan says:

**Reading for Pleasure Matters at Hunters Hall**

Welcome back to our summer term! As part of our commitment to our school values (Collaboration, Motivation, Preparation, Resilience, Creativity & Curiosity), children continue to experience a broad and balanced curriculum based on our carefully considered topics. In every year group, pupils can be historians, geographers, artists, philosophers, empathisers and critical thinkers. Each week we will showcase a different year group, suggesting books that will support and extend current learning. This week we are focusing on Reception!

**PSED**

In our PSED lessons, we celebrate the importance of kindness and patience. In the story 'Tilda tries again' by Tom Percival, we read about a girl whose world turns upside down and she has to find new ways to solve problems. This book encourages us to be different, brave and have patience!

**One of our key texts in literacy**

'The Koala Who Could' is another book by Rachel Bright and Jim Field. It is one of our key texts in Summer 2. We use the story to remind ourselves of the importance of being brave and to keep on trying, which ties in well with one of our values, resilience! We also use it to learn about another country – Australia. The children enjoy finding out about koala bears and making non-fiction books about these amazing creatures.

**Storytime**

We have at least one story time every day. 'The Kindest Red' by Ibtihaj Muhammed is one of our favourites now. It is a fantastic celebration of family, kindness and friendship. The story offers us the opportunity to talk about our similarities and differences and teaches us to be proud of who we are.

Our school song: "Believe" highlights the characteristics and attitudes which we, as a school, feel are essential to achieving greatness.

Remember: I can be anything I want, if I can just believe in me.

- ✓ **Learn to play in a band**  
Learning an instrument should be fun. Your child can choose from the electric guitar, keyboard, drums or vocals and enjoy playing in a happy, supportive environment with their friends.
- ✓ **Lead by real musicians**  
Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.
- ✓ **In school time**  
Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.
- ✓ **From first notes to favourite songs**  
The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.
- ✓ **With regular live performances**  
Playing on stage is a huge confidence booster. With termly concerts at school assemblies, your child will be able to show off their progress to friends, teachers and parents with the rest of their band.
- ✓ **And happily affordable**  
Rocksteady is one of the most hassle-free ways to learn an instrument on a rolling subscription that you can cancel at any time. It's risk free too – cancel in the first month and you'll get a full refund.
