Dear Parent/Carer,

As we approach the final weeks of the school year, I want to thank you for your continued support and share some of the wonderful activities taking place this week.

The week started with The Bubble visiting Upminster Park - navigating public transport and spotting different landmarks.

We also welcomed several ex-pupils who have carried out their work experience with us.

Our future Reception children took a big step forward this week by spending time with their new teachers. They settled in brilliantly and showed great curiosity during their classroom visits. Thank you to Mrs McCarthy and her EYFS team for their dedication and giving up their time after school.

On Wednesday, Mrs Keane, our PSHE Lead, provided an insight to Year 6 parents regarding Relationships and Sex Education (RSE) focusing on conception and the importance of factual education.

Year 4 pupils expanded their cultural horizons with a visit to a local Buddhist temple. They consolidated their in-school learning and were able to see the layout first-hand which outshines just seeing it on a worksheet.

Our current Reception children enjoyed a fantastic, hands-on learning experience at one of my favourite farms - Mudchute Farm on the Isle of Dogs. They met a variety of animals and learned about farm life. <https://www.mudchute.org/>

A massive **congratulations** to our Year 6 pupils for hosting an incredibly successful Enterprise afternoon. Their creativity and teamwork shone through as they designed stalls, managed finances, and raised impressive funds. Thank you to everyone who supported this annual event.

With higher temperatures and strong sunshine forecast for the coming week, please ensure your child comes to school prepared for the heat.

Apply long-lasting sunscreen before school.
Send a labelled water bottle daily. (Freezing it is quite popular)
Provide a named sun hat.

Warm regards,

Michael Kaitell, Headteacher

School uniform can be purchased from 3:00-4:00pm in the dining hall. The dates vary throughout the year.

In a hope to reduce the cost of school uniform, from September, you will have the option to purchase iron-on badges for plain white polo shirts and plain red jumpers. Badges will cost £1.20 and should make uniform more affordable.

Uniform Reminder & PE Days 2025-2026

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

School Uniform (only 2 branded clothing items necessary & 1 branded book bag)

White Polo Shirt (with logo/ iron-on badge)

Red jumper/ Cardigan (with logo/ iron-on badge)

Grey school trousers/ skirt/ shorts

Summer Dress

Plain black shoes/ trainers

PE Kit

Plain white t-shirt

Black plimsolls

More and more children are wearing the incorrect P.E. kit. Proper clothing and footwear are essential in all P.E. lessons for reasons of health and safety and comfort.

◀ The permitted kit is advertised here.

Swimming is part of the national curriculum. Children in Year 4 & non-swimmers from Year 6 are offered swimming lessons. From time to time, other selected pupils are given this opportunity.

Children must wear suitable and appropriate swimwear and a swimming hat. They must also have a towel, dressing gown and waterproof footwear.

This year, we will operate a mobile swimming pool on the school site.

As part of our social action project
'Hunters Hall helps look after our local area'

3MK carried out survey of how people travel in our local area.

The results were fascinating and eye-opening! It was surprising to see that only 1 person was cycling and 88 cars drove past in the 15 minutes we surveyed. This highlighted a strong reliance on motor vehicles over active travel options in the local Dagenham area.

You are probably wondering... why does this matter?

High traffic volumes contribute to localised **air pollution** and reduces road safety. Stay tuned to find out what year 3 are going to do about this! 😊

This week Year 4 visited The London Buddhist Centre in Bethnal Green to support our learning in RE this half term. We participated in different types of meditation and learned more about the Buddhist faith.

Author of the Week

BB ALSTON

Overall winner of the Barnes &
Noble Children's and YA Book
Awards

Enter a wonderful world of magical powers, unlikely friendships and an abundance of mythical creatures and you'll be in Amari's world. BB Alston's debut children's novel is a thrilling page-turner that includes themes of race, friendship, magic and adventure. The first book in the series is currently being made into a major motion picture!

If you like J.K. Rowling or Philip Pullman, you'll love these books!

As a writer, I've always thought of stories as being their own kind of magic, especially fantasies, for their ability to transport you to wondrous places alongside compelling characters. And so as a writer of stories it's my hope to create magic on the page with every story I write.

BB Alston says:

Reading for Pleasure Matters at Hunters Hall

Welcome back to our summer term! To finish off this academic year, we thought it would be nice to share some of the shortlisted books from this year's 2026 Children's Book Awards! Over the next few weeks, we will showcase books for a variety of ages, ranging from Early Years to Year 6!

Take a look below: Can you spot any of our school values being used in action?

Early Readers – The Tortosaurus!

A lovely story about being true to yourself.

Dot just wants to fit in at her new school, but is pretending she has a pet tortosaurus really a good idea? This gorgeously illustrated picture book from award-winning author-illustrator Katie Cottle reminds us that true friendship is all about being yourself.

A celebration of authenticity and coming out of your shell!

Ages 7-9 – Supa Nova

Fizzling with fun and invention!

Supa Nova is a hilarious, action-packed adventure about a young hero who discovers extraordinary powers and a knack for getting into cosmic trouble. From zooming across galaxies to facing quirky villains, every page of this graphic novel is full of surprises, laughter, and heart. The story balances chaos and courage perfectly, showing that even in space, friendship, cleverness, and a little daring can save the day. You're cheering, giggling, and rooting for Supa Nova all the way!

Ages 10+ – The Last Dragon on Mars

A highly imaginative blend of science fiction, fantasy, and Greek mythology.

For Lunar Jones and his crew of fellow orphans, every day on Mars, a wasteland ravaged by wars and storms, is a fight for survival. One day, a scavenging mission goes dangerously wrong, forcing Lunar to hide underground. There, he finds the only hope left for a dying planet: the last dragon. Alarmingly, the dragon chooses him to be the one to save Mars.

- ✓ **Learn to play in a band**
Learning an instrument should be fun. Your child can choose from the electric guitar, keyboard, drums or vocals and enjoy playing in a happy, supportive environment with their friends.
- ✓ **Lead by real musicians**
Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.
- ✓ **In school time**
Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.
- ✓ **From first notes to favourite songs**
The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.
- ✓ **With regular live performances**
Playing on stage is a huge confidence booster. With termly concerts at school assemblies, your child will be able to show off their progress to friends, teachers and parents with the rest of their band.
- ✓ **And happily affordable**
Rocksteady is one of the most hassle-free ways to learn an instrument on a rolling subscription that you can cancel at any time. It's risk free too – cancel in the first month and you'll get a full refund.
