Tuesday 7 July 2026

## Hot Weather

Dear families

Looking at the weather forecast for the remainder of the week, the temperatures look set to rise from tomorrow (Wednesday) once again. Therefore, if pupils are cooler in their school PE kit than in their school uniform, they are more than **welcome to wear school PE kit for the remainder of this week for school**. Please note that these are not 'non-school uniform days' and items like football shirts/kits and short 'Nike Pro' style gym shorts are not appropriate for school. Next week (w/c: Monday 13 July 2026), we will return to school uniform once again, unless we communicate otherwise.

As ever in these conditions, please do continue to:

- Send children to school with at least one named water bottle and we will remind and encourage children to drink lots and to refill;
- Apply sun cream and bring in extra (named) to reapply;
- Bring a named sun hat to school.

We will do our best to ensure that our hottest classrooms have fans, and we will try and maximise their effect through closing blinds, turning off lights, and opening all doors and windows from first thing in the morning to allow the air flow. As and when we go outside, we will remind and encourage the children to play or sit in the shade.

Many thanks for your support and understanding – we will endeavour to do everything practicable to keep the children as cool as possible under the circumstances.

Many thanks for your continued support.

Kind regards

A handwritten signature in black ink, appearing to read 'D Callaghan', followed by a horizontal line.

Mr D Callaghan  
Executive Headteacher
